Municipal Census Solution

Your Community CAN Benefit

A municipal census, regardless of the size of your municipality, can have significant strategic benefit.

Every census we undertake is designed to meet your community's goals.

Better data, sooner, for great planning

Level up for incorporation status

Access to more grant money

Comprehensive community consultation

Clarity on transient populations

Enumerating as Easy as 1-2-3

1 Customized, Correct and Compliant

We draw on years of experience to:

-  Get greater accuracy
-  Tell the right story
-  Ensure MGA-compliance
-  Determine the right approach
-  Customize your census questionnaire
-  Make great decisions

2 Supported End-to-End

From start to finish, we're here to help with your census project through:

-  Supplied hardware and software
-  Optimized route efficiency
-  Minimized staffing costs
-  Train-the-trainers approach
-  Combined online and door-to-door
-  Higher enumeration rate
-  Easy web-based solution

3 Fits Your Budget

-  Easy
-  Effective
-  Cost-efficient

Supported census implementations starting at just \$10,000.

Opportunities and options exist to reduce municipality-born costs.
